Mission Statement: The mission of Communities In Schools (CIS) of Chesterfield is to surround students with a community of support, empowering them to stay in school and achieve in life. The heart of the CIS of Chesterfield program is dropout prevention.

Our program provides dropout prevention and intervention services at six Chesterfield County Public Schools (CCPS) sites. CIS of Chesterfield uses an Integrated Student Support (ISS) services model to provide students and families with wrap-around services that promote academic success. ISS is a school-based approach that develops and coordinates supports that target academic and non-academic barriers to learning. These resources range from traditional tutoring and mentoring to provision of a broader set of supports, such as linking stud(...See Nonprofit Portrait for more information)
