Type of Organization: Youth Development Programs

Mission Statement: The J.O.B.S. Program mission is to provide 8th and 9th grade students in the City of Hopewell and Prince George County with training in workforce readiness, life skills, character education, and wellness.

Impact Statement: The J.O.B.S. Program is striving for continued development of our program and curriculum during the 2011-2012 school year. We are working to expand our curriculum to encompass even more areas and skills necessary for the youth of today to become a well prepared, competitive workforce of tomorrow. This year we have developed and included into the curriculum a class on STEM (Science, Technology, Engineering, and Mathematics). This is in response to the local and national need for skilled workers in these fields as well as the feedback that students need to increase their comfort level and exposure to these areas. We also included a weekly mini-lesson on important aspects of being a "Healthy Employee." This was in response to student feedback asking for more knowl(...See Nonprofit Portrait for more information)
